2010 CHARDONNAY, SONOMA COAST
DENMARK VINEYARD — WENTE CLONE

VINEYARD NOTES
This 2010 Chardonnay comes from Denmark Vineyard in the Southeastern foothills of the Sonoma Coast appellation. The soils from this site translate their mineral richness to the wine. Combined with the cool climate, this makes for a crisp, bright and beautifully balanced chardonnay.

TASTING NOTES
This single vineyard gem delivers year after year. Laden with lemon zest, oranges, honey and toasted nuts, this wine is lush in the mouth while retaining its brightness.
